The Dallas Baptist University Cross Country and Track and Field programs enjoyed a successful 2011-2012 school year in which they won the Heartland Conference Cross Country Championships and were awarded seven NCCAA All-Americans in Track and Field.

Going into the 2011 cross country season, the Patriot Cross Country program had won four straight Women’s Heartland Conference Championships and were the defending Men’s Heartland Conference Champions. The conclusion of the 2011 season was much of the same, with the women winning their fifth-straight championship and the men winning their second.

“This was a great day for our program,” said Head Coach Jacob Phillips. “We spoke a lot before these championships about racing as a team and putting team over self, and we did that this weekend. We showed that our strength is in numbers which is exactly what cross country is all about.”

Leading the way at the Conference Championship in a dominating performance for the women was freshman Kelsey Bruce. For her efforts, Bruce was named Heartland Conference MVP and Heartland Conference Freshman of the Year. Also earning Heartland Conference Honors were senior Linet Kibet (3rd overall), freshman Glynnis Meade (4th overall), junior Ashley Spivey (6th overall), freshman Sarah Rayas (8th overall), freshman Tawnee Wimsatt (11th overall), and sophomore Julie Durrwachter (12th overall).

The men were led by senior Edwin Kiptoo’s third place finish at the Conference Championships. Also earning Conference Honors were sophomore Joshua Pauley (7th overall), senior Zach Morgan (8th overall),

National Champion - Kelsey Bruce (3000 M Steeple)
All-American - Kelsey Bruce (5000 M Run)
Glynnis Meade (10000 M Run)
Zach Morgan (10000 M Run)
Joshua Pauley (1500 M Run)
and sophomore Jacob Phillips (10th overall).

The success from the cross country season quickly transferred to the track season. During the Indoor Season, the Patriots saw school records in the Mile and 3000 Meter Run fall for the men with sophomore Joshua Pauley tearing up the track. Pauley ran times of 4:20.45 in the Mile (converted to 4:18 with altitude) and 8:43.13 in the 3000 Meter Run.

The Patriots also had two All-Americans at the NCCAA Indoor National Championships with freshmen Hannah Rice (Mile Run) and Glynnis Meade (5000 Meter Run) earning the awards.

The Outdoor Season came quickly with more great results. Freshman Kelsey Bruce continued her great year by being a provisional qualifier in the Women's 3000 Meter Steeplechase Run for the NCAA Championships.

Several other athletes made great runs as well, including Joshua Pauley who continued his assault on the Dallas Baptist University record books. Pauley broke and re-broke the school record in the Men's 1500 Meter Run several times over the course of the season.

At the NCCAA Outdoor National Championships the Patriots earned a National Championship and five All-American Honors. Kelsey Bruce, named to the NCAA All-Region squad, was the National Champion in the Women's 3000 Meter Steeplechase and was All-American in the Women's 5000 Meter Run (second overall). Glynnis Meade earned her second career All-American honor with her third place finish in the Women's 10000 Meter Run.

On the men's side, senior Zach Morgan finished as the national runner-up in the Men's 10000 Meter Run, while sophomore Joshua Pauley was All-American in the Men's 1500 Meter Run (third overall).

“We had a great year. I am so pleased with the way our men and women prepared, competed, and carried themselves throughout the year,” said Coach Phillips.
