EXCEPT THE LORD...

This Scripture plaque above hangs in the office of Dr. Gary Cook, DBU president. He bought it the first year that he was named president of DBU, and it has been a reminder to him of the need to ask the Lord’s direction and guidance. According to Dr. Cook, “I look at this Scripture plaque every day. It has been on my office wall for over 26 years. We need to always remember that it’s all about the Lord and His Kingdom. It’s not about us. It’s about Him.”
